Re: Spacing Unit and Integration Application, Docket No. CC-2107-OGR-01-001

September 11, 2017

This letter is to put on record with the IDL concerning the AM Idaho, LLC and Alta Mesa Services LP efforts to establish a spacing unit, that we as landowners and homeowners within the proposed unit object to the inclusion of established city-limit neighborhoods in such spacing units and the ordering of integration of our uncommitted mineral interests within it. We do not believe that our mineral interests should be at the mercy of for-profit companies that compel these interests without our consent and against our wishes.

Thank you,

Clinton Kennington
